J – Student Expulsion Policy

HSMC is committed to taking all reasonable steps to ensure that students have the opportunity to successfully complete their programs. We are also committed to ensuring that within this general framework all students are treated fairly and equitably. Students who do not support the academic and ethical goals of the College for themselves and their fellow students may be subject to penalties, up to and including expulsion.

In general, HSMC will attempt to resolve a situation without expulsion. Verbal warning, written warnings and suspension may precede this final and most serious of actions.

Where the HSMC deems the integrity, safety or well-being of HSMC, students, staff, clients, visitors or other guests or of their property is in danger, then expulsion may be applied at HSMC's discretion at any point in the process.

The following outlines the conditions under which a student may be expelled with cause:

1. Academic Dishonesty – students may be subject to expulsion at the discretion of HSMC for academic dishonesty. Academic dishonesty is any word, action or deed performed alone, or with others for the direct or indirect intention of providing an unfair advantage or benefit to self or other student(s) including:
 - a. cheating
 - b. plagiarism
 - c. unapproved collaboration
 - d. alteration of records
 - e. bribery
 - f. lying
 - g. misrepresentations
2. Outstanding Fees – failure to pay tuition or other fees due to HSMC is considered to be theft, and students who fail to remit outstanding fees may be expelled after written warning has been provided by HSMC and the student fails to comply within the stated parameters.
3. Uncivil Conduct - students may be subject to expulsion at the discretion of HSMC for uncivil conduct which may compromise the self-esteem, human rights, or study conditions of other students. Specific examples of uncivil conduct as defined at HSMC include, but are not limited to the following:
 - a. being under the influence of drugs and/or alcohol.
 - b. carrying weapons
 - c. harassment, on or off campus, or online
 - d. bullying, on or off campus, or online
 - e. discrimination on the basis of race, citizenship, sexual orientation, ancestry, creed, age, place of origin, sex (including pregnancy), marital status, colour, gender, family status, ethnic origin or disability

Expulsion is mandatory for any student who is deemed by the investigation to have engaged in harassing or discriminatory activities. Students participating in harassing or discriminatory activities are subject to immediate suspension pending

investigation. In determining what constitutes harassment or discrimination, HSMC refers to The Ontario Human Rights Code. Students requiring more specific information may refer to the specific code as posted on the Provincial web site.

4. Significant Omissions or Errors in Admissions Documentation – HSMC has a responsibility to ensure students have been admitted in accordance with the registration requirements for the program. Students who knowingly or in error misrepresent their applications are subject to immediate expulsion.
5. Attendance – students who do not achieve the required attendance for the course are subject to expulsion. Ordinarily 100% attendance is required unless by prior arrangement due to exceptional circumstances.
6. Misuse of College Property – College property is for the provision of college services. Students who damage, misuse, steal or otherwise use the property in a way that is prohibited may be expelled and required to make restitution.
7. Endangerment of Staff or Students – HSMC is committed to the right of all College staff, students, clients and visitors to be safe. Students who by action or neglect in any way endanger the safety of themselves or others may be expelled. Prior to expulsion, depending on the severity and nature of the situation, HSMC may take intermediate steps at its discretion including:
 - a. verbal warning
 - b. written warning
 - c. suspension

Notification:

Students who are subject to expulsion for any reason will be notified in writing, either hand delivered or by registered mail with return receipt. HSMC is not responsible for non-delivery by registered mail if the student has not provided a valid address where the student currently resides or works.

The notification will contain a description of the basis for expulsion and the effective date. Expelled students who dispute the facts of the expulsion must appeal the decision within three days of the notification following the complaints procedure of HSMC provided to the student and providing sufficient proof to support the complaint.

Students who file an appeal and are unsuccessful will have their enrolment terminated by HSMC. A student who remains unsatisfied may then refer the matter to the Superintendent of Career Colleges, who may be contacted: by e-mail at PCC@ontario.ca or by mail at: 77 Wellesley Street West, P.O. Box 977, Toronto, ON M7A 1L3, provided the students are attending a program recognized as being protected under the Ontario Career Colleges Act 2005.

Fees:

The enrolment of a student who is expelled by HSMC will be considered terminated on the effective date of the expulsion. HSMC will settle the student's account under the Fee Refund Policy.

Part 6 – Consent to the Collection and Use of Personal Information

Career colleges (CCs) must be registered under the Ontario Career Colleges Act, 2005, which is administered by the Superintendent of Career Colleges. The Act protects students by requiring CCs to follow specific rules on, for example, fee refunds, training completions if the CC closes, qualifications of instructors, access to transcripts and advertising. It also requires CCs to publish and meet certain performance objectives that may be required by the Superintendent for their vocational programs. This information may be used by other students when they are deciding where to obtain their training. The consent set out below will help the Superintendent to ensure that current and future students receive the protection provided by the Act.
