

Are you ready for your CFAA Practical Test?

Answer these questions to see:

1. How many times have you assisted with or shadowed a verification?
2. How many times have you reviewed a completed verification report?
3. How many hours of annual inspections have you done?
4. How many hours of experience do you have in the field?
5. Do you know the S537-13 standard? (You can view it online at no cost. Set up a [free ULC account \(click here\)](#). Then [click here for the standard.](#))
6. Do you understand all of the terms used in the standard? (and know that italicized words can be looked up in the glossary of the standard?)
7. Do you understand all of the “notes” in Appendix C of the standard? (especially the notes applying to section C6.2, Individual Device Record.)?
8. Do you know the S524-14 standard?
9. Have you studied our "Verification Paperwork" course?

Your Score out of 10:
