See [next page](#) for Important Information

Important Information

- *Course 1 and Course 5 are mandatory courses, and ONE book is used for both courses.
- To be enrolled into the program a deposit is required along with the signed contract. The remaining balance (total course cost minus the deposit) is split into equal parts based on the number of courses taken. For example, for the full program with five courses, one-fifth of the remaining balance (including taxes and textbooks) is due at least one day before the first day of each course.
- You may qualify for exemptions depending on the governing regulations and training standards under Ontario's Fire Code, the Electrical Safety Code, and other relevant legislation like Ontario Regulation 213/91. For Details contact [Canadian Fire Alarm Association \(CFAA\)](#).
- Additional costs may include administrative fees detailed in the contract.
- For withdrawals and refunds please refer to the written contract.
